

Job application

Backpacker from Germany - friendly and reliable

To:

About me

Dear Sir or Madam,

I am a Backpacker from Germany, currently traveling through New Zealand. At the moment I am looking for a job. On one hand because I need to earn money to continue my trip. On the other hand because I am always looking for new experiences.

When it comes to work I am very open minded, friendly and optimisic. Furthermore I am able to handle even complicated tasks well and am willing to put effort into what I do. Hard physical labour has never been a problem

for me. I actually enjoy it. The same is true for any kind of work that involves: long hours, repetitive tasks or learning new skills. I am holder of a **Working Holiday Visa** and have my **IRD Number** and **Bank Account** properly set up.

So if you are looking for someone who gets work done, feel free to contact me any time via email or phone.

Sincerely,
